

The collage consists of five photographs arranged in two rows. The top row features four items: a white box on the far left with a decorative V-shaped logo and the brand name 'D. BEAUTY CULTURE'; a second white box displaying descriptive text about the serum's benefits and ingredients; and two identical glass bottles with silver pump dispensers containing a yellowish-orange liquid. The bottom row contains two more images: on the left, a close-up of a small, round, clear plastic dish filled with the serum, showing its thick, gel-like consistency; on the right, a close-up of the back of a white box showing the alphanumeric code 'N0T210403459K' and the expiration date 'EXP: 05/2026'.
