Remarks:

- i. This list reflects the Cold Chain Facilities with satisfactory compliance status in Malaysia [limited to licensed importers and wholesalers of the Time- and Temperature-Sensitive Products (TTSP)] at the inspection time. It should not be relied upon to reflect the compliance status if more than five (5) years have elapsed since the date of that inspection. However, this validity period may be reduced using regulatory risk management principles.
- ii. This list is generated based on the Cold Chain Facility Inspection conducted by the Good Distribution Practice (GDP) Section, Centre of Compliance and Quality Control, NPRA, since 1 October 2021.
- iii. For any further enquiry regarding the list mentioned above, kindly contact us at saeb@npra.gov.my and indicate your contact details (including your name, mobile number and email address) in the email for further communication (if required).
- iv. *Licensed importers and wholesalers that have undergone Cold Chain Facility Inspection by the GDP Section, NPRA before 1 October 2021 with satisfactory compliance status are permitted to handle TTSP as long as the 'Syarat Lesen (Mengimport/Memborong Keluaran Rangkaian Sejuk)' is stated in their Import License or Wholesaler's License.
