## What REXOM<sup>TM</sup> Wina B Complex is used for

For the prevention and treatment of vitamin B-complex deficiency symptoms.

## How REXOM<sup>TM</sup> Wina B Complex works

REXOM<sup>TM</sup> Wina B Complex contains 6 types of Vitamin B which are Cyanocobalamin (B12), Riboflavin (B2), Thiamine Hydrochloride (B1), Calcium Pantothenate (B5), Nicotinamide (B3) and Pridoxine Hydrochloride (B6). These are the vitamin B which will replenish the deficiency in the body.

## Before you use REXOM<sup>TM</sup> Wina B Complex

### -When you must not use it

It should not be used in people known to be hypersensitive to any of the components of the formulation.

### -Before you start to use it

#### Pregnancy and lactation

Talk to your doctor before taking this medicine if you are pregnant, might become pregnant or are breastfeeding.

### -Taking other medicines

Inform your doctor or pharmacist before taking this medicines, including any that you get without a prescription from your pharmacy, supermarket or health food shop.

## How to use REXOM<sup>TM</sup> Wina B Complex

### -How much to use

Always use REXOM<sup>TM</sup> Wina B Complex exactly as your doctor has prescribed. You should check with your doctor or pharmacist if in doubt.

### The usual dose:

Adult : 2-4 tablets daily.  
Children : 1-2 tablets daily.

### -When to use it

Use as directed by your doctor or pharmacist.

### -How long to use it

Continue taking REXOM<sup>TM</sup> Wina B Complex as your doctor recommended. If symptoms persist, consult your doctor.

### -If you forget to use it

Consult your doctor or pharmacist on what you should do if you forget to use it.

Take the missed dose as soon as you remember. If it is almost time for your next dose, wait until then to take the medicine and skip the missed dose. Do not take a double dose to make up for the missed dose.

### -If you use too much (overdose)

Contact your doctor immediately or go to the Emergency Department of your nearest hospital, if you think you or anyone else may have taken too much of this medicine. Do this even if there are no signs of discomfort or poisoning. You may need urgent medical attention.

## While you are using REXOM<sup>TM</sup> Wina B Complex

### -Things you must do

- Tell all the doctors, dentists and pharmacists treating you that you are taking REXOM<sup>TM</sup> Wina B Complex.
- Tell your doctor immediately if you become pregnant while taking this medication.

### -Things you must not do

- Do not take more than the recommended dose unless your pharmacist or doctor tells you.

- Do not take any new medicines without consulting your doctor or pharmacist.
- Do not give REXOM<sup>TM</sup> Wina B Complex to anyone else, even if they have the same symptoms or condition as you.

### -Things to be careful of

Be careful driving or operating machinery until you know how REXOM<sup>TM</sup> Wina B Complex affects you.

## Side effects

REXOM<sup>TM</sup> Wina B Complex seldom cause toxicity in person with normal kidney function. If side effects persist, do not take the medicine and refer to the doctor.

You may report any side effects or adverse drug reactions directly to the National Centre for Adverse Drug Reaction Monitoring by calling Tel: 03-78835550, or visiting the website [npra.moh.gov.my](http://npra.moh.gov.my) (Public Reporting Medicinal Problems / Side Effects / AEFI / Vaccine Safety).

## Storage and disposal of REXOM<sup>TM</sup> Wina B Complex

### -Storage

Store below 30°C. Keep container tightly closed. Protect from heat and light. Keep medicine out of reach of children.

### -Disposal

Medicines should not be disposed of via waste water or household waste. Ask your pharmacist how to dispose of medicines no longer required. These measures will help to protect the environment.
