What REXOM™ Wina Calamine is used for

It is indicated in relieving discomforts (e.g. itching, pain) of skin inflammation, eczema, hives, sun-burn, rashes and slight excoriation.

How REXOM™ Wina Calamine works

REXOM™ Wina Calamine contains calamine and zinc oxide which have astringent action.

Before you use REXOM™ Wina Calamine

-When you must not use it

- It should not be used if you had known to be hypersensitive to any of the components of the formulation.

-Before you start to use it

Pregnancy and lactation

Talk to your doctor before taking this medicine if you are pregnant, might become pregnant or are breastfeeding.

-Taking other medicines

Inform your doctor or pharmacist before taking this medicines, including any that you get without a prescription from your pharmacy, supermarket or health food shop.

How to use REXOM™ Wina Calamine

-How much to use

Always use REXOM™ Wina Calamine exactly as your doctor has prescribed.

You should check with your doctor or pharmacist if in doubt.

The usual dose:

Apply the lotion sparingly over the affected skin and allow to dry.

-When to use it

To be used 1-3 times daily. Use as directed by your doctor or pharmacist.

-How long to use it

Continue taking REXOM™ Wina Calamine as your doctor recommended. If symptoms persist, consult your doctor.

-If you forget to use it

Consult your doctor or pharmacist on what you should do if you forget to use it.

Take the missed dose as soon as you remember. If it is almost time for your next dose, wait until then to take the medicine and skip the missed dose. Do not take a double dose to make up for the missed dose.

-If you use too much (overdose)

Contact your doctor immediately or go to the Emergency Department of your nearest hospital, if you think you or anyone else may have taken too much of this medicine. Do this even if there are no signs of discomfort or poisoning. You may need urgent medical attention.

Large doses of REXOM™ Wina Calamine may cause nausea, vomiting, Central Nervous System depression, breathing failure, excess fluid in the lung and heart failure due to absorption of phenol from large open wounds.

While you are using REXOM™ Wina Calamine

-Things you must do

- Tell all the doctors, dentists and pharmacists treating you that you are taking REXOM™ Wina Calamine.
- Tell your doctor immediately if you become pregnant while taking this medication.

-Things you must not do

- Do not take more than the recommended dose unless your pharmacist or doctor tells you.

- Do not take any new medicines without consulting your doctor or pharmacist.
- Do not give REXOM™ Wina Calamine to anyone else, even if they have the same symptoms or condition as you.

-Things to be careful of

Avoid applying to nostrils of infants and large open wound.

Side effects

Like all medicines, REXOM™ Wina Calamine can cause side effects, although not everybody gets them.

If side effects persist, do not take the medicine and refer to the doctor.

You may report any side effects or adverse drug reactions directly to the National Centre for Adverse Drug Reaction Monitoring by calling Tel: 03-78835550, or visiting the website npra.moh.gov.my (Public → Reporting Medicinal Problems / Side Effects / AEFI / Vaccine Safety).

Storage and disposal of REXOM™ Wina Calamine

-Storage

Keep container tightly closed. Store between 15-30°C. Protect from light. Keep out of reach of children.

-Disposal

Medicines should not be disposed of via wastewater or household waste. Ask your pharmacist how to dispose of medicines no longer required. These measures will help to protect the environment.
