What *Rasitin* is used for

For the relief of dry cough.

How *Rasitin* works

Cloperastine is a medicine with effect of reducing cough similar to that of codeine. It also has some antihistaminic effect.

Before you use *Rasitin***- When you must not use it**

Do not take *Rasitin* if allergic to its active ingredient or other ingredients in it.

- Before you start to use it

Inform the doctor or pharmacist if you are pregnant or breast feeding. Safety for use has not been established. Ask your doctor or pharmacist for advice before taking any medicine.

- Taking other medicines

Tell your doctor if you are taking any other medicines. Also, including any medicine that you buy without a prescription from a pharmacy, supermarket or health food shop.

How to use *Rasitin***- How much to use**

Adults: oral, 10 – 20mg (1 – 2 tablets).
Children: 4 – 6 years: oral, 2.5 – 5mg.
7 – 15 years: oral, 5 to 10mg (½ to 1 tablet) or as directed by physician. Follow all directions given by your doctor and pharmacist carefully. They may differ from the information contained in this leaflet. If you do not understand the instructions on the label, ask your doctor or pharmacist for help.

- When to use it

To be taken three times a day or as directed by the doctor or pharmacist.

- How long to use it

Continue taking *Rasitin* for as long as your doctor recommends.

- If you forget to use it

Consult your doctor or pharmacist on what you should do if you forget to use it. Take the missed dose as soon as you remember. If it is almost time for your next dose, wait until then to take the medicine and skip the missed dose. Do not take a double dose to make up for the missed dose.

- If you use too much (overdose)

Contact your doctor immediately or go to the Emergency Department of your nearest hospital, if you think you or anyone else may have taken too much of this medicine. Do this even if there are no signs of discomfort or poisoning. You may need urgent medical attention.

While you are using *Rasitin***- Things you must do**

Take your medicine exactly as your doctor has told you.

Tell the doctor, dentist and pharmacist treating you that you are taking *Rasitin*.

- Things you must not do

Do not stop taking the medicine unless advised by your doctor.

Do not take any new medicines without consulting your doctor or pharmacist.

Do not give *Rasitin* to anyone else, even if they have the same symptoms or condition as you.

- Things to be careful of

Caution when driving or doing jobs requiring alertness because of possible drowsiness or dizziness.
Avoid alcoholic beverages.

Side effects

Rasitin can cause side effects, although not everybody gets them. Visit the doctor or pharmacist immediately if you experience any side effects after taking this medicine. Drowsiness and dryness of mouth may occur. You may report any side effects or adverse drug reactions directly to the National Centre for Adverse Drug Reaction Monitoring by calling Tel: 03-78835550, or visiting the website npra.moh.gov.my (Public → Reporting Medicinal Problems / Side Effects / AEFI / Vaccine Safety).

Storage and Disposal of *Rasitin***- Storage**

Store in cool, dry place below 30°C. Protect from light. Keep out of reach of children.

- Disposal

Medicines should not be disposed of via wastewater or household waste. Ask your pharmacist how to dispose of medicines no longer required.
