What Champs D-Worms is used for

Champs D-Worms is used to treat single or mixed infestations of intestinal parasites or worms including roundworm, whipworm, pinworm, threadworm, hookworm and tapeworm.

How Champs D-Worms works

Champs D-Worms contains Albendazole as an active ingredient. Albendazole kills these worms by causing them to starve of energy. It is effective against eggs, larvae and adult worms.

Before you use Champs D-Worms

- When you must not use it

Do not take this medicine if you have an allergy to:

- Albendazole
- any of the other ingredients listed at the end of this leaflet

Do not take this medicine if you are pregnant or you suspect you are pregnant.

Champs D-Worms is not recommended for used in children below 1 year of age.

Do not take this medicine after the expiry date printed on the pack or if the packaging is torn or shows signs of tampering.

If it has expired or is damaged, return it to the pharmacist for disposal.

If you are not sure whether you should start taking this medicine, talk to your doctor.

- Before you start use it

Tell your doctor if you have allergies to any other medicines, foods, preservatives or dyes

Please check with your physician if symptoms still persist after the treatment.

- Taking other medicines

Tell your doctor or pharmacist if you are taking any other medicines, including any that you get without a prescription from your pharmacy, supermarket or health food shop.

Your doctor and pharmacist have more information on medicines to be careful with or avoid while taking this medicine.

How to use Champs D-Worms
